Would you love a pawtrait of your beloved pet?

This full day workshop will guide you through the process of painting your pet, in acrylics on canvas, from start to finish.

Along the way we'll go through various tips, tools and techniques including mixing colours, brushwork and some hacks for getting the most out of your acrylic painting.

All materials are included and I keep the group to 4 maximum so I can spend plenty of one to one time with each person.

Bottomless tea, coffee and biscuits are provided.

All you need to bring is a packed lunch and an A4 scan or print of your pet.

Workshops start at 10am and finish at 4pm with a short break for lunch.
